Henry! Sign me up! I'd be stupid not to take advantage of this special offer!!! Of course I want to shamelessly take advantage of your limited time and number "Stimulus Pre-Early Bird Offer" for Non-Members who will be allowed in the room with your Elite group of "Street Smart" Golden Hard Hat members. I'll be listening intently and taking hordes of notes as you reveal everything I need to know to run and make my construction as successful and as profitable as you and your group of extraordinary members while you expose your strategies, methods, plans and processes to making money and capturing my marketplace. All of this under-the-radar and never before revealed secret tactics will show me how to side-step this recession and put my business on the right tracks to success. Please accept my registration investment of only \$1497 for the 1st person from my company and \$397 for each additional employee so we can attend this dynamic business-building event.

It's going to be a blast to attend your conference in sunny Orlando, Florida on March 1, 2, & 3, 2010 at the Marriott World Center. I don't want to miss out on anything that is because I need to learn how to be as successful as your Golden Hard Hat members.

I fully realize that I am not at risk with your generous First Lunch Plus up to \$500 in Travel Documentation Guarantee!
