## Roofing Contractors Trade Knowledge Reference List Valid for February – June 2009

These references are the approved standards issued by the Construction Industry Licensing Board (CILB) for this examination. The answers to the examination questions will be based on the editions listed below. Some of the questions will also be based on field experience and knowledge of trade practices. Editions earlier or later than those listed below can be brought to the examination but **AT YOUR OWN RISK**. However, only one copy of each reference will be allowed into the examination.

Photocopies will not be allowed unless the appropriate authorities (DBPR and the publishers) have given written authorization. Reference materials must remain as published. Hand-written and typewritten notes are NOT allowed. Existing hand-written notes must be blackened out or whitened out completely, by the candidate, prohibiting legibility. Moveable tabs (e.g., Post-it® Flags) are NOT allowed. Permanently attached book tabs with normal chapter headings are permitted; however, tabs must not contain any notes or formulas. References containing underlining with pen or highlighter may be used. You will not be permitted to make any marks in your references during the examination.

PLEASE BRING **ONLY** APPROVED REFERENCE MATERIAL TO EACH EXAMINATION SESSION.  
USE **NO OTHER** REFERENCES TO ANSWER THE TEST QUESTIONS.
